

Toy Library Online Booking Form

To make the toys more accessible for those who may not be able to attend the toy library sessions we are now taking reservations by email.

The toys you reserve, if available, will be ready for collection from reception at Windchimes after the next toy library date.

You will receive an email to confirm your reservation, the next available collection date and the cost which will need to be paid on collection.

Toy reservations are limited to 2 toys per disabled child.

Please note that others may have also expressed an interest in the same toys you would like to borrow. In this case we will use a first come first serve policy and will be happy to put you on a waiting list for that item for the next collection date.
